

Thursday 7/9

Avalon -> Atlantic City Neon Finale

Morning - Avalon checkout

Move: CAR

Do not rush D out of the beach chapter. Coffee, checkout, and clean handoff into AC mode.

Midday - Roll to Atlantic City

Move: CAR

Drive to AC, park once at the hotel/casino. After that, car keys go into timeout.

2:00-4:30 PM - Boardwalk/casino orientation

Move: WALK / JITNEY / UBER

Boardwalk lap, casino floor scout, find the meet-back bar. This is the neon map-reading phase.

5:30-8:00 PM - Dinner + first real AC energy

Move: WALK / UBER

Pick dinner based on where you are staying. After dinner, no complicated cross-town nonsense unless Uber makes it painless.

8:00 PM-late - Casino chaos but organized

Move: WALK / JITNEY / UBER

Slots, drinks, people watching, and bail points. Set a meet-back spot before everyone scatters.
