

## Friday 7/10

Break Out + Pool Bar Recovery

### Morning - AC checkout

Move: WALK / CAR

Coffee, checkout, maybe one last boardwalk look. No final casino spiral unless everyone agrees.

### Late morning - Drive home

Move: CAR

One clean exit. Snacks, music, no overstuffed side quests.

### Afternoon - Home landing

Move: CAR -> WALK

Unload only what matters. Wet towels and emergency bags can wait. Nobody becomes a productivity hero.

### Pool bar recovery mode

Move: WALK

Hydrate, eat something normal-ish, recap the trip, and let the weekend do its job.

### Weekend rule

Move: DO NOTHING AGGRESSIVELY

This is still part of vacation. The pool bar is the final chapter, not an afterthought.
