

Sunday 7/5

Golf Cart Victory Lap

Theme: cart first, scout the town, chase the vibe, no parking nonsense.

Golf cart changes the whole day

This is not a walking recovery day anymore. Use the cart like a Key West-lite roaming machine: cruise, scout, stop, bail if crowded, repeat.

11:15 AM-12:45 PM - Easy brunch launch

Primary: Blue Pig Tavern or Mad Batter, whichever feels easier and less annoying.

Cart rule: do not overcommit. Eat, hydrate, then start roaming.

1:00-3:00 PM - Cart scout loop #1

Cape May Point / lighthouse area, Beach Ave, Congress Hall edge, Washington Street Mall edge.

Mission: find shade, bathrooms, bar seats, crowd levels, and the spots worth repeating.

Open Hidden Gems Card

3:15-5:15 PM - Bail / repeat / beach-town loop

Use what you learned. If one zone feels packed, leave. If one zone feels perfect, park the cart and own it.

This is the advantage: nobody is trapped by tired legs or car parking.

5:30-7:45 PM - Marina / golden-hour move

Primary move: Lobster House Dockside / marina at golden hour.

Backup: Rusty Nail, Harry's, Congress Hall, or any cart-scouted winner from earlier.

Open Bars & Restaurants Playbook for the seat move

8:00 PM-late - Choose the best energy

Sunday win condition: golf cart freedom, scout the whole town, one great seat, zero crowd rage.

The cart lets the night stay flexible instead of forced.
