

Monday 7/6

Last Full Day - Golf Cart Freedom

Theme: use the cart, chase the vibe, one favorite repeat, one clean finish.

Monday is the best touring day

Now you know the town and you have wheels. Use the cart to connect Cape May Point, lighthouse, quiet streets, Beach Ave, marina, and favorite-repeat stops.

11:15 AM-12:45 PM - Brunch/lunch launch

Primary: Mad Batter if you still have not done it right.

Backup: Blue Pig patio/edge table. Keep it easy because the cart day starts after this.

1:00-3:15 PM - Cart hidden-gems tour

Cape May Point / lighthouse loop, Emlen Physick Estate drive-by, quieter Victorian streets, Beach Ave cruise.

This is the opposite of death-march sightseeing. Roll, look, stop, move on.

Open Hidden Gems Card

3:30-5:30 PM - Favorite-repeat loop

Pick the weekend winner: marina, Harry's, Rusty Nail, Congress Hall, Washington Street Mall, or Wilbraham porch reset.

The cart makes this a greatest-hits lap, not a logistics problem.

6:15-8:30 PM - Last dinner

Book if available: Andrea Trattoria Italiana.

If Andrea is not available, repeat the weekend winner. The dinner target is flexible; the golf-cart freedom is the day.

Monday win condition: golf cart freedom, Andrea if available, one last favorite repeat, clean landing.

~~One last slow loop if everyone is still feeling it: Congress Hall, Beach Ave, marina, or Wilbraham landing.~~

~~End clean. No frantic packing energy.~~
