6:45-8:30 PM - Work the comfort angle

Plan A: Congress Hall waitlist opens.

Plan B: Harry's rooftop / Montreal sundeck transition.

Plan C: Beach Ave/promenade backup.

Open July 4 Fireworks Backup Playbook

8:45 PM - Move before the crowd peaks

If you do not have a secured viewing spot, move toward the beach/promenade now. Do not wait until 9:20.

9:30 PM - Fireworks

Watch near Congress Hall zone if possible. If packed, drift east for space. Comfort beats center-stage misery.

10:00 PM-late - Debrief drink

High energy: Rusty Nail or Boiler Room. Perfectly done: Wilbraham and call it legendary.
