# Stay-Close Escape Zones

Specific places near Dee's beach day so Brian and Amber stay close, shaded, cooled off, and not trapped in sand.

## Top stay-close options

|                                                                                                                             |                                                                                                                                 |
|-----------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>ICONA Beach Bar</b><br><br>Closest option while Dee is on the beach: food, cocktails, and drinks. Within check-in range. | <b>Shimmers Coffee Bar &amp; Cocktail Lounge</b><br><br>Morning or afternoon lounge reset. Coffee if it is early, cocktail if v |
| <b>Avalon Brew Pub</b><br><br>Sit-down lunch/drink option without leaving the ICONA and actual food.                        | <b>Windrift next door</b><br><br>Still close, but feels like you left the hotel. Good for a change of sc project.               |

## Decision filter

### Stay close enough to support Dee

If Dee needs something, you are nearby. If Brian needs shade, he has it. If Amber has had enough sun, she has a clean exit. That is the Avalon win.
