

Daily Plan

Wednesday 7/8: Dee's Beach Day

Dee gets the beach. Brian and Amber stay close with shade, drinks, food, pool, lounge, and AC options.

Morning

Dee launches beach mode Beach whenever Dee wants. She gets the day she wants.	Brian + Amber cameo Help Dee get settled if needed. Make a respectful appearance. Coaches start acting personal.

Midday survival loop

Closest: ICONA Beach Bar Best if Brian and Amber want to stay nearest to Dee with a drink.	Cooler: Shimmers Coffee/cocktail/lounge reset. Good for shade, sitting, and not prepping.
Meal break: Avalon Brew Pub Better if a real lunch/drink break is needed.	Change of scene: Windrift Still close, but different enough to feel like a mini escape.

Evening

Pick the night based on Tuesday

If Stone Harbor was awesome, go back for round two. If everyone is cooked, stay around Windrift, Avalon Brew Pub, Shimmers, or the ICONA zone. The win is ending Wednesday happy.
