ICONA / Windrift Stay-Close Playbook

Wednesday daytime options that keep Brian and Amber close to Dee while she beaches.

Stay-close hierarchy

Closest to beach: ICONA Beach Bar Best first choice while Dee is on the beach and Brian//	Coffee/lounge: Shimmers Good for a softer reset without leaving the zone.
Sit-down: Avalon Brew Pub Lunch and drinks without turning the day into transpor	Next door: Windrift Still easy, but feels like a small change of scene.

The reason this works

Close, not trapped

Brian and Amber can keep checking on Dee, but they are not sentenced to a full day of beach. ICONA/Windrift is the support system.
