

Thursday 7/9

Avalon -> Atlantic City Neon Finale

Theme: one-night AC sendoff: park once, casino-hop smart, no parking war.

Morning - Avalon checkout

Move: CAR

Do not rush D out of the beach chapter. Coffee, checkout, clean handoff into AC mode.

Midday - Roll to Atlantic City

Move: CAR

Drive to AC. Park once at the hotel/casino. After that, car keys go into timeout.

2:00-4:30 PM - Boardwalk/casino orientation

Move: WALK / JITNEY / UBER

Boardwalk lap, casino floor scout, find the meet-back bar. This is the map-reading phase.

5:30-8:00 PM - Dinner + first AC energy

Move: WALK / UBER

Pick dinner based on where you are staying. No complicated cross-town nonsense unless Uber makes it painless.

8:00 PM-late - Casino chaos, organized

Move: WALK / JITNEY / UBER

Slots, drinks, people watching, bail points. Set a meet-back spot before everyone scatters.

Thursday win condition: AC hard, park once, no parking rage.
