AC Arrival Strategy

Avalon checkout at your pace. Premium stop if wanted. Then park once and let Atlantic City do Atlantic City things.

Arrival shape

■ Leave Avalon easy

No heroic morning. Coffee, pack, roll out when ready.

■ Premium stop window

Dispensary stop belongs before check-in/nightlife, not after drinks.

■■ Park once

After hotel/casino check-in, the car is retired for the night.

■ Neon mode

Walk, Jitney, Uber. One-night finale, not a transportation war.

The AC rule

Do the adult/logistics stuff early. Once AC mode starts, no parking battles, no backtracking, no “where did we leave the car?” nonsense.
