Premium Dispensary Stop

This is not “find random rec shop and hope.” High Rollers gets first shot. Design 710 is the backup.

Primary pick

■ High Rollers first

Best fit for the AC chapter: casino energy, lounge angle, premium positioning, central location at 120 S Indiana Ave, and listed customer parking at Pacific Avenue and Park Place. Do it before drinking and before parking for the night.

Backup

■ Design 710 backup

Boardwalk-convenient, open-late vibe. Good backup if High Rollers is packed, annoying, or not the feel once you arrive.

Safety/logistics

■ Bring ID

NJ adult-use is 21+. Have valid ID and payment.

■ Before drinks

Nobody drives impaired. Stop early, then park once.

■ Keep it sealed

Treat it like a responsible adult errand, not a sidewalk circus.

■ No dogshit filter

If the place feels generic, rushed, or sketchy, bail and use the backup.
