

Daily Plan

Thursday 7/9: AC Neon Finale

Avalon hands off to neon. Premium stop early, then park once and let the night happen.

Flow

1■■ Leave Avalon

Checkout at your own pace. No need to rush. AC is not going anywhere.

2■■ Premium dispensary stop

High Rollers first, Design 710 backup. Do it before drinking.

3■■ Check in / park once

Once the car is parked, it stays parked.

4■■ Neon finale

Casino, boardwalk, drinks, people-watching, chaos - but organized chaos.

Night motto

One-night finale. Big energy. Low logistics. No parking war.
