Friday 7/10: Break Out + Home Recovery

No heroic AC morning. Get home and let the pool bar heal the damage.

Morning

■ Wake up

Coffee, bathroom, assess the damage.

■ Pack

No schedule heroics. Get your stuff together.

■ Leave

Head home when ready. No unnecessary AC sequel.

■ Recover

Pool-bar recovery is the final chapter of the trip.

Final chapter

Cape May was the celebration. Avalon was the reset. AC was the finale. Home is the recovery lounge.
