Avalon Strategy

ICONA is home base, Stone Harbor gets the first-night audition, and Wednesday stays close to Dee without trapping Brian and Amber in the sand.

The big idea

■ Avalon is the reset chapter

Cape May is the patriotic adventure. Avalon is the beach-resort reset. Tuesday night is for seeing Stone Harbor. Wednesday belongs to Dee on the beach while Brian and Amber stay close with shade, drinks, AC, and zero fake beach enthusiasm.

■ Home base

ICONA Avalon around the 78th block. Use it as the launch pad, not a prison.

■ Tuesday night

Stone Harbor / 96th Street gets the first look: walk, food, drinks, shops, and bar-perch potential.

■ Wednesday

Dee gets her real beach day. That is the emotional center of Avalon.

■ Brian + Amber

Stay close to Dee, but use ICONA/Windrifft/Shimmers/Brew Pub/pool/shade/room to survive the sun.

Trip motto

“Dee gets the beach. Brian gets no-beach survival. Amber gets shade before the sun gets annoying. Everybody wins.”
