

Daily Plan

Tuesday 7/7: Check-In + Stone Harbor First Look

Arrive from Cape May, reset at ICONA, then go see what Stone Harbor is about.

Flow

1■■ Arrive

Leave Cape May and drive up to ICONA. No heroics. No big plan before check-in.

2■■ Reset

Room, bags, bathroom, quick breath, maybe a cold drink. Convert from Cape May mode to resort mode.

3■■ Stone Harbor

Head to the 96th Street area for the first look: shops, dinner, drinks, and “do we like this place?” energy.

4■■ Easy night

If Stone Harbor hits, great. If not, return to ICONA/Windrift and call it a win.

Targets

■ The Reeds / Water Star area

Polished first-night option if everyone wants the nicer resort feel.

■ Fred's Tavern

Brian-friendly casual bar fallback. Sit, people-watch, and be normal.

■ Spiaggetta

Italian dinner candidate if the mood calls for a real sit-down dinner.

■■ 96th Street stroll

Dee and Amber can browse while Brian looks for a civilized perch.
