

Daily Plan

Wednesday 7/8: Dee's Beach Day

Dee gets the beach. Brian and Amber stay close, shaded, cooled off, and available.

Morning

■ Launch Dee to the beach

Dee gets priority. Help if needed, get her settled, and do not rush the beach day. This is the Avalon headline.

Brian + Amber plan

■ Brian

No beach marathon. Optional cameo, then shade, bar, pool, room, or AC.

■ Amber

Short sun window if she wants. Exit before the sun gets obnoxious.

■ Best loop

ICONA Beach Bar -> Shimmers -> Avalon Brew Pub
-> Windrift -> room reset.

■ Regroup

Check in with Dee, bring water/snack if needed, meet back up when she is ready.

Evening

Choose based on Tuesday

If Stone Harbor was awesome, go back. If everyone is cooked, stay ICONA/Windrift close. The goal is a happy day, not a forced itinerary trophy.
