

Food, Drink and Seats

ICONA / Windrift Stay-Close Zone

Wednesday daytime options that keep Brian and Amber close while Dee has her beach day.

Close does not mean boring

■■ Stay near Dee, not trapped with Dee

The Wednesday daytime plan is built around proximity. Brian and Amber should be close enough to help or regroup, but not forced into sand-and-sun misery.

■ ICONA Beach Bar

Top choice for maximum closeness. Drinks, food, beach proximity, no beach hostage situation.

■ Shimmers

Coffee/lounging/cool-off option. Good when the sun needs to be replaced with civilization.

■ Avalon Brew Pub

Real food, real seat, real break. Works for lunch or a longer escape.

■ Windrift

Next-door change of scenery, still close enough to keep Dee supported.

No town mission during Dee's beach day

Stone Harbor is Tuesday night. Wednesday daytime is about staying close, staying sane, and letting Dee enjoy the beach without turning it into a search party.
