

Save the Day

Beach Survival Clauses

The legal fine print of the Avalon beach day: no guilt, no fake enthusiasm, no sand suffering.

Clauses

■ Brian clause

Brian does not do beach. A cameo is generous. Helping once counts. Leaving for shade is allowed.

■■ Amber clause

Amber gets a short-sun escape route. Shade, AC, pool, bar, room reset - all valid.

■ Dee clause

Dee gets as much beach as she wants. No rushing. No guilt. No “are you done yet?” energy.

■ Family clause

Stay close enough to support Dee. Split the day without splitting the vacation.

Thursday note

■ AC ain't going anywhere

Thursday is not an itinerary. Wake up, coffee, pack, move at your own pace, and head to Atlantic City whenever ready.
